## Cream for the Creamery.

There are a good many things that our creameries will have to do before they succeed in getting first-class cream for use in making butter, especially when the gathered cream system is followed. One manager suggests that every creamery should furnish the haulers with canvas covers for their cans to keep out the dust that so often gets into the cream where the covers fit in and are afterward rinsed out with the cream when it is poured from the cans. He also suggests that it would be a paying investment to furnish the haulers with soap-stone stoves or some other kind of heaters in winter, so that the cream will not freeze, as it is not possible to make first-class butter from frozen cream. In the summer time haulers of cream should be required to be at the creamery at a certain time, as several hours unnecessary exposure of cream to the sun's heat is likely to injuriously affect its quality.

### Coughs, Colds and Constipation.

Few people realize when taking cough medicines other than Foley's Honey and Tar, that they contain opiates which are constipating besides being unsafe, particularly for children. Foley's Honey and Tar contains no opiates, is safe and sure and will not constipate. Sold by A. R. Kane.

### Bluffed Gen. Kitchener.

A certain young Canadian officer of engineers is credited with having "put down" Lord Kitchener during the troubles in South Africa. The young man was in charge of an important piece of railroad work. Kitchener appeared one morning and expressed disapproval of some features, talking in characteristically biting fashion. The young officer had his share of the independence which comes of living on this side of the Atlantic, so he said: "Am I bawling this work or are you?" Kitchener looked at him, recognized a young fellow after his own heart and walked away with a nod of approval.

## RECTOR OF ST. LUKE'S,

Ashburnham, Ontario, Testifies to the Good Qualities of Chamberlain's Cough Remedy.

Ashburnham, Ont., April 18, 1903.---I think it is only right that I tell you what a wonderful effect Chamberlain's Cough Remedy has produced. The day before Easter I was so distressed with a cough and cold that I did not think to be able to take any duties the next day, as my voice was almost choked by cough. The same day I received an order from you for a bottle of your cough remedy. I at once procured a sample bottle, and took about three doses of the medicine. To my great relief the cough and cold had completely disappeared, and I was able to preach three times on Easter. I know that this rapid and effective cure was due to your Cough Remedy. I make this testimonial without solicitation, being thankful to have found such a God sent remedy. Respectfully yours, E. A. Langfeldt, Rector of St. Luke's church, to Chamberlain Medicine Co. This remedy is for sale by A. R. Kane.
